It is stated that the petitioners have been working as C.L.R workers under the 3rd respondent. They have filed representations before the Hon'ble Minister for Water Resources requesting to regularise their service. Government Pleader submits that those representations have been transmitted to the Secretary, Department of Water Resources and Irrigation. That being the position, it is only proper that the 1st respondent considers the request of the petitioners and takes appropriate decision.

2. Writ petition is therefore disposed of directing the 1st respondent to consider Ext.P2 series in accordance with law and pass orders, as early as possible, in any event, within three months from the date of receipt of a copy of this judgment. The petitioners shall produce a copy of this judgment along with a copy of the writ petition before the 1st respondent for compliance.
